

Arizona Department of Environmental Quality

Recycler of the Month

Hey Kids!

This is your chance to share with others why you think it's important to reduce, reuse and recycle! Just answer the questions below, have your teacher return it to ADEQ, and you'll be entered in a drawing for the ADEQ Recycler of the Month Award. The Recycler of the Month will receive a certificate and a t-shirt, and will have the answers to your questions and your colored recycling picture posted on the ADEQ Website! This is a great opportunity to teach others about the benefits of recycling!

Please return the form to The Arizona Department of Environmental Quality, Recycling and Brownfields Unit, 1110 W. Washington Street, Phoenix, AZ 85007.

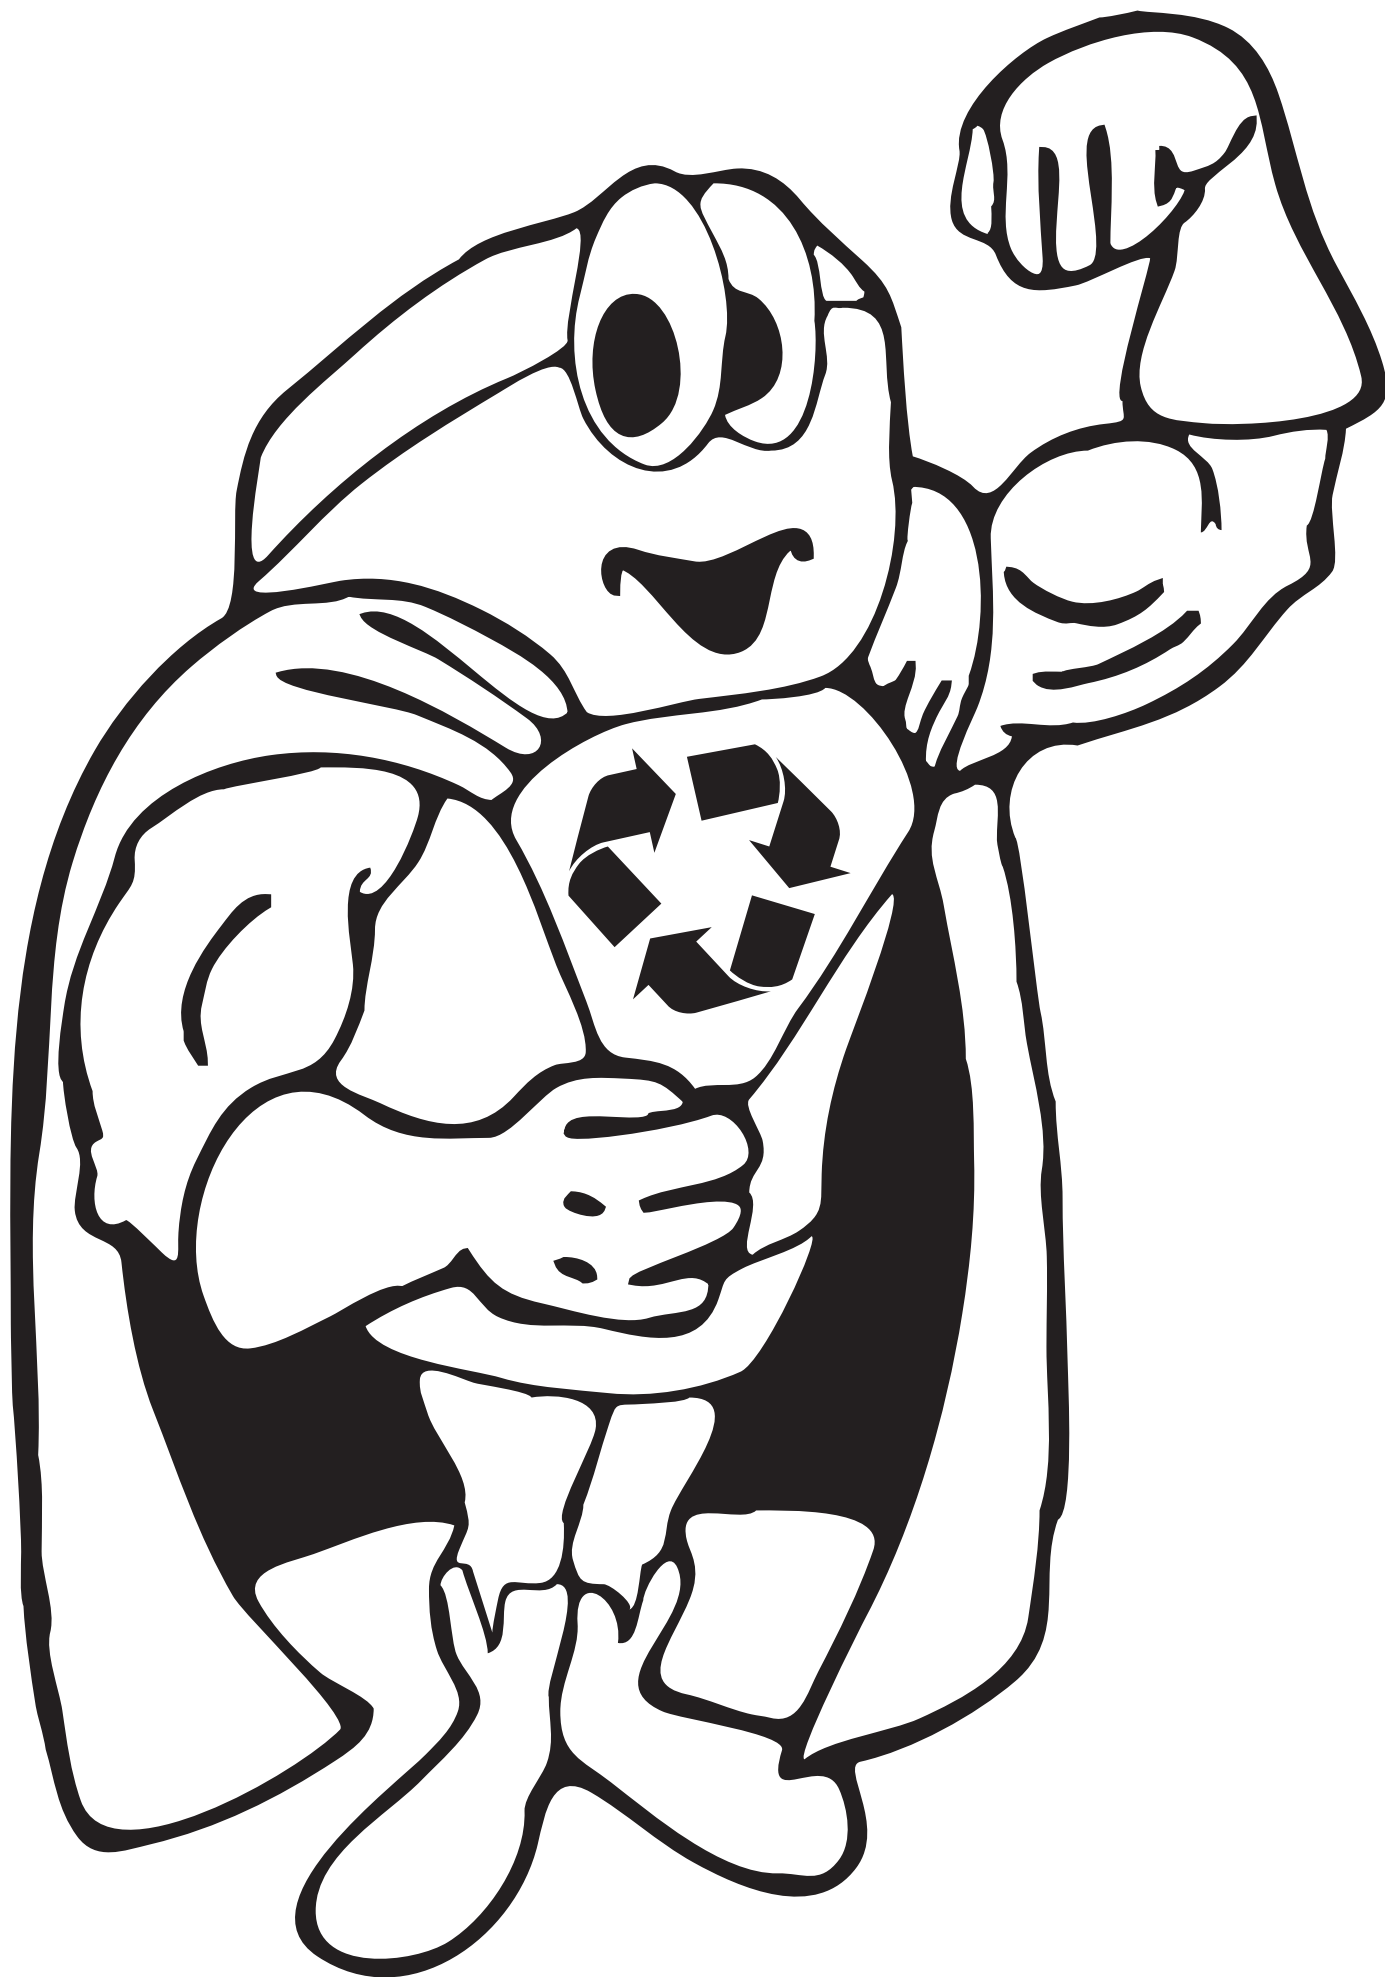

Do you recycle at home or at school, if so what do you recycle?

Why do you think it is important to recycle?

What can you and your family do to reduce waste by reuse?

What would you tell others to encourage them to reduce, reuse and recycle?
